

Personal Data

| | |
|---|--|
| Title | Prof. Dr. |
| First name | Johannes |
| Name | Hirrlinger |
| Current position | Professor for Physiology, tenured |
| Current institution(s)/site(s), country | Carl-Ludwig-Institute for Physiology Faculty of Medicine University of Leipzig, Germany and Dept. Neurogenetics, Max-Planck-Institute for Multidisciplinary Sciences, Göttingen, Germany |
| Identifiers/ORCID | ORCID ID: 0000-0002-6327-0089 |

Qualifications and Career

| Stages | Periods and Details |
|--|---|
| Degree programme | Biochemistry (Diploma), 10/1993 – 03/1999, Tübingen, Germany |
| Doctorate | 06/1999 - 07/2002, Prof. Hamprecht, Prof. Dringen, Glutathione metabolism of brain cells, Institute for Physiological Chemistry, University of Tübingen, Germany |
| Stages of academic/professional career | <p>Since 11/2012: Professor for Physiology, Faculty of Medicine, Leipzig University, Germany</p> <p>Since 11/2012: Permanent Guest Scientist, Dept. Neurogenetics, Max-Planck-Institute for Multidisciplinary Sciences, Göttingen, Germany</p> <p>11/2011 – 10/2012: Group leader, Dept. Neurogenetics, Max-Planck-Institute for Multidisciplinary Sciences, Göttingen, Germany</p> <p>08/2011: Habilitation for Physiology, Medical Faculty, Leipzig University, Germany</p> <p>10/2009 – 10/2012: Temporary substitution of a Professorship for Physiology at the Carl-Ludwig-Institute for Physiology, Medical Faculty, Leipzig University, Germany</p> <p>04/2006 – 03/2011: Head of the research group „N05 Neural Plasticity“ at the Interdisciplinary Centre for Clinical Research (IZKF), Faculty of Medicine, Leipzig University (since Jan 2010 associated with the Carl-Ludwig-Institute for Physiology).</p> <p>01/2003 – 03/2006: Postdoctoral fellow at the Max-Planck-Institute for Experimental Medicine, Department of Neurogenetics (Prof. Dr. Klaus Armin Nave), Göttingen, Germany working with Prof. Dr. F. Kirchhoff and Prof. Dr. S. Hülsmann</p> <p>07/2002 – 12/2002: Postdoctoral fellow in the laboratory of Prof. Dr. Ralf Dringen, Institute of Physiological Chemistry, University of Tübingen, Germany</p> |

Activities in the Research System

Chair of Program Committee, Joint meeting of the European Society for Neurochemistry (ESN) and the Hellenic Society for Neuroscience, May 18-21, 2025, Naxos, Greece

Co-Chair Local Organizing Committee: XVI European Meeting on Glial Cells in Health and Disease (Euroglia), 07/2023, Berlin, Germany (largest meeting on glial cells worldwide)

05/2021 – 08/2023: President of the European Society for Neurochemistry (ESN)

08/2017 – 05/2021: Treasurer of ESN

Since 2015: Member of the Scientific Council of ESN

Since 11/2016: Ombudsman for medical doctoral candidates of the Faculty of Medicine, Leipzig University, Germany

Since 10/2012: Member of the board of study affairs (“Studienkommission”) of the Faculty of Medicine, Leipzig University, Germany

02/2009 – 03/2010: Member of the executive board of the Interdisciplinary Centre for Clinical Research (IZKF) Leipzig as coordinator of the central activities of Core Units and Junior Research Groups
